

Noble County Community Foundation Scholarship Fund

2011-2012 program year

The Noble County Community Foundation Scholarship Fund was established through major donations by the former Dr. Glen B. Taylor Scholarship program, by the former Edmund James Scholarship program and by community donations.

The scholarship is valid for any undergraduate or graduate school year of the student's education at an accredited technical college, 4-year college, or university with a preference to non-Freshman year students. There is no specific curriculum the student must pursue and at this time the scholarship is not renewable. A total of two \$750 scholarships will be given, one to a graduate of Caldwell HS and one to a Shenandoah HS graduate.

The scholarships will be paid at the end of the student's current (or first) year of college with proof that the student has successfully completed his/her course of study or is enrolled for the following year of school.
